## Support the Next Generation of Cyber Talent

Le Tour Du Hack returns on **May 16 - 17, 2026**, hosted by ENUSEC, the Edinburgh Napier University Security Society.

We're excited to welcome **all curious minds** from Scotland's Information and Cybersecurity community for **two days** of talks, workshops, and our renowned Capture the Flag (CTF) competition.

This year, we're looking for brilliant sponsors, like you, to help power the weekend.

With **great speakers, hands on sessions and the CTF**, it's set to be a great weekend.

But, it's more than talks and challenges; it's the **people**, the **conversations**, and the **connections** that make the weekend so special.

By sponsoring LTDH 2026, you're not just adding your logo to a banner, you're supporting Scotland's next generation of cyber talent and joining a passionate, welcoming community.

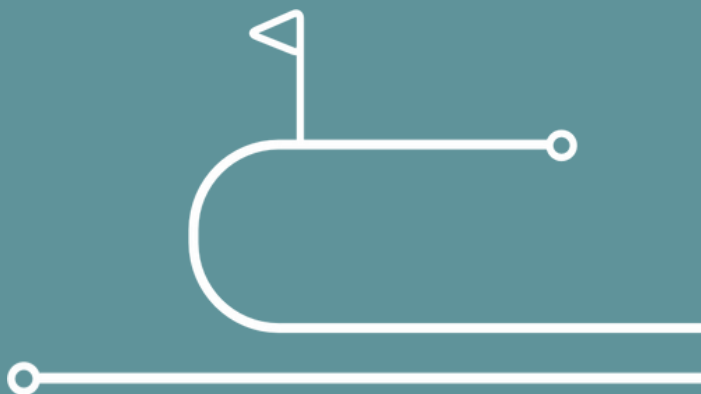

**We'd love to have you on board. Let's make Le Tour Du Hack 2026 unforgettable, together.**

# We're Back!

## What's in store this time around?

Building on 11 years of shared knowledge and experience, we're proud to bring the Scottish cyber community together by inspiring newcomers and the experienced alike. Over time, Le Tour Du Hack has grown from a get together of 30 people hacking over pizza, to a full scale conference boasting over 150 attendees.

## Le Tour Du Hack is back and bigger than ever!

We're returning with our 3 tracks of engaging talks and workshops, this year featuring a community and student-led track, never before seen in Le Tour Du Hack.

# The Weekend

## Your Guide To Le Tour Du Hack

### Day 1 - Conference Day

The first day is all about ideas, energy, and community.

- Talks that spark curiosity.
- Workshops that build real skills.
- Networking that opens doors.

Attendees meet industry leaders, discover new tools, and connect with Scotland's growing cyber community. It's the perfect space for your brand to stand out, be seen, and make an impact.

### And after the day wraps up?

It's Afterparty time - where all our attendees - sponsors, speakers, students and industry professionals get to relax and enjoy the evening.

### Day 2 - Capture The Flag Day

A full-day CTF where our competitors race to solve challenges, climb the leaderboard, and push their skills to the limit. It's fast, fun, and unforgettable - and your name is right there alongside the action.

We end the event with awards and a celebration of the achievements of the day.

# Terms and Conditions

## Use of Branding

By becoming a sponsor, you grant ENUSEC permission to use your approved logo(s) and branding across event materials, digital channels, and promotional content. We will always aim to represent your brand accurately and positively.

## Booths

Sponsorship packages include tickets for company representatives to attend, and where allocated to staff sponsor booths. Additional tickets can be purchased as required. Sponsor booths should meet the size and layout specifications provided before the event. Promotional materials may be distributed from the sponsor's allocated booth space only. Sales of products or services at the event are not permitted. Sponsors are responsible for ensuring their booth is fully packed down by the end of the event.

## Payment

Payment may be made via bank transfer or cheque. All sponsorship payments are required no later than 21 days prior to the event date. Late payment may result in changes to, or withdrawal of, associated sponsorship benefits.

## Cancellation

If the event has to be postponed for any reason, your sponsorship will automatically roll over to the new date. If the event is cancelled for any reason, refunds will be considered but cannot be guaranteed.

## Data Protection

ENUSEC handles all personal data in line with GDPR. Any data collected will be used only for essential purposes and retained for no longer than necessary.

## Conduct

We are committed to creating a positive environment for attendees, volunteers, and partners. ENUSEC reserves the right to remove any individual or organisation from the event if behaviour, materials, or actions are inappropriate or in breach of these Terms & Conditions. No refunds will be issued in such cases.
